Summary

Fullstack Developer with 3.4 years of experience building scalable web applications using **Node.js**, **Express**, **Angular (15+)**, and **React**. Skilled in real-time systems, API performance optimization, and secure authentication. Proven record of improving efficiency and load times by 30% through caching, lazy loading, and optimized backend design.

Skills

Frontend: Angular (15+), React, TypeScript, JavaScript (ES6+), GraphQL

Backend: Node.js, Express.js, REST APIs, WebSockets, JWT, OAuth

Databases: MongoDB, PostgreSQL

Tools: Git, Figma, Azure, Postman, VS code

Experience

Software Engineer, Neosoft Technologies – Pune, Maharashtra

Sept 2022 – Present

- Built **real-time notification and approval system** using **WebSocket**, enabling instant updates between users.
- Strengthened authentication with **JWT & OAuth 2.0**, reducing login failures by 40%.
- Designed **10+ advanced PostgreSQL functions**, improving database query performance by **30%** and supporting real time analytics for large dataset.
- Developed and deployed **Node.js REST APIs** for real-time dashboards and secure data flow.
- Integrated **Voitekk voice calling API** for enhanced in-app communication.
- Optimized **Angular app performance by 30%** using lazy loading and parallel API calls.
- Implemented **unit testing** (Jasmine/Karma) with **90% coverage**.

Projects

EOS Admin Panel(1Finance Marawadi Group) – July 2023 - Present

- Built **role-based dashboards** with **Angular + GraphQL** and real-time tracking via **Socket.IO**.
- Enhanced **API security** and authentication interceptors, ensuring safe data access.
- Improved query handling and reduced issue resolution time by **40%** through callback dashboards.

Supliety – Jan 2023 - June 2023

- Built scalable **Node.js + Angular** platform with product search and secure checkout.
- Reduced **API response time by 40%** through query optimization and caching.
- Implemented **role-based access control** for 50+ vendors, improving efficiency and accuracy.

Achievement

- Recognized as an employee of the month for outstanding technical contributions and project delivery.

Education

Technocrats Institute of Technology, Bhopal, B.Tech in Information Technology

Aug 2018 – May 2022
